

A Bat Mitzvah at Solon Chabad

A BAT MITZVAH at Solon Chabad

According to Jewish tradition, a Bat Mitzvah reflects a major turning point in the life of a Jewish girl and as such, we believe very strongly that every girl should celebrate this milestone in a meaningful and traditional manner.

Ceremony Options

HAVDALAH SERVICE

The service can begin anywhere from one hour after Shabbat ends. The Bat Mitzvah girl welcomes everyone and speaks about the Havdalah ceremony. She honors close family members by having them participate in parts of the service. Havdalah is recited by the Rabbi or the girl's father or grandfather, etc. and the Bat Mitzvah girl recites special Saturday night prayers. The ceremony continues as described on page one. All guests are then invited to the social hall for a reception.

Separate seating is not necessary, unless you plan on doing the Maariv Service.

SUNDAY MORNING OR EVENING CEREMONY

A Sunday Bat Mitzvah takes place as described on page one. The service can be followed by a brunch or a reception.

FRIDAY NIGHT CANDLE LIGHTING SERVICE

The Bat Mitzvah ceremony (as detailed on page 1) is followed by the Friday night service for all guests to attend, conducted by Rabbi Greenberg. There will be separate seating and a Mechitza during the actual Shabbat service.

In a Friday evening service, the Bat Mitzvah girl leads the women and girls in the candle lighting and blessing. In the winter the candle lighting will be at the very beginning of the ceremony, and in the summer, the candle lighting will be after the Bat Mitzvah ceremony but **before** the Shabbat evening service. Please remember that videos and cameras are only allowed **until** the Candle lighting service.

After the service, the Kiddush is recited by the Rabbi or father/grandfather of the Bat Mitzvah girl. The family of the Bat Mitzvah girl then hosts either a dinner or dessert reception.

TUTORING

The Pre-Bat Mitzvah "curriculum" serves as a forum for discussion and discovery, encouraging the Bat Mitzvah girls to learn more about this unique time in their lives.

The Bat Mitzvah girl will be paired up with a special tutor who will cover the following syllabus:

- ❑ In depth learning of her Torah portion including selected commentaries
- ❑ Comprehensive review of the Haftorah and that historical period
- ❑ Famous Biblical Women (- will compile a booklet with details from their lives and lessons that can be learned from them)
- ❑ Jewish Life Cycles (unless that has been covered in her Jewish schooling)
- ❑ Research and discussions on the 3 "women's mitzvot" and their importance to Jewish survival.
- ❑ Translation and history of her favorite prayer

After the majority of the studying has been accomplished, the Bat Mitzvah girl and her tutor will prepare speeches and select verses to read and explain from her Torah and Haftorah portions, and practice the reading of selected prayers.
