The mother of the Boston Bombers, was a strong influence on their turning to a jihadist philosophy. Apparently, the mother encouraged the Tsarnev boys to join the Palestinian fight against Israel which didn’t work out due to their inability to speak Arabic.

The power of a mother has always been recognized in Jewish culture. Perhaps, that’s why the Jewish religion is determined by the mother.

Judaism counts on the influence of the mother – G-d entrusted the Jewish mother by the mother.
