Ariel V. - It's easier to stretch the dough

Ethan S. - It's the first shape they could think of

Addison G. - Because they were smart and that's how they wanted to make it

Josh A. - Because they make it big so that's why it's round

Nellie F. - Because it was made by people who didn't have food so they made it with round bread and therefore today it's round

Johnathan R. - Because chefs want it to be round

Devin K. - Because people call it a pizza pie and a pie is round

Max G. - Because they shape the dough round

Emma F. - Because the universe wants to make it like that
