

Nap Time Items Needed for Preschool

To help make nap time comfortable and consistent for your child, please send the following **clearly labeled with your child's name**:

- **Toddler nap mat with attached blanket and removable pillow** (this specific style is required for our classroom): <https://a.co/d/9R7ZZbp>
- **One pillow**
- **One stuffed animal** (optional, for comfort)
- **One large bag** to store all nap-time items

Please note that the **toddler nap mat linked above is a required item**, not an optional recommendation. Using the same style of nap mat for all children helps with storage, organization, and maintaining a consistent nap-time routine in the classroom.

Nap items will be sent home **weekly for laundering** and should be returned on the next school day.

Thank you for helping us create a cozy and organized rest time for all of our preschoolers!
